Jerseys & Uniforms — Important Update/Information for 2027

Please note: Game jerseys are ***not included*** in the player fee and will be purchased separately by each family. This is an intentional decision made to benefit our athletes and families to ensure the following:

- **Accuracy of Names — Jerseys and pants ordered directly by each family ensure athlete names are spelled correctly. No errors, no reprints.**
- **Correct Sizing — Families know their athlete's sizing best. Direct ordering eliminates size mistakes and exchanges.**
- **Timely Delivery — Orders ship straight to your home, avoiding delays from bulk collection and distribution at AHQ.**
- **Direct-to-Door Convenience — No waiting for pickup at Athletes HQ. Jerseys arrive at your doorstep, ready to go.**

Fitting Day: Uniform fittings are scheduled for **this fall (approximately October)**. Full details including the date, location, and ordering instructions will be communicated to all families and coaches ahead of time. Please watch for that communication.
